

## THE DENTIST SAYS:

ERNEST J. TARR, D.D.S.

DENTAL CARE AVAILABLE ON CREDIT

**QUESTION—**  
"I need quite a bit of dental work done, but cannot afford to pay right now. Do you have a plan whereby I can get my work done now and pay for it later?"—writes Mrs. R. D. of Harbor City.

**ANSWER—**  
Yes, my office is set up to give credit to all who desire it. When you first come into the office, I do a complete dental examination on you. Then I give you an exact estimate of what the work will cost. Once we know the fee,

we can arrange for you to buy on easy monthly terms, or weekly if you prefer. No money down is necessary, 8 weeks to make the first payment, and as long as 12 to 18 months to pay.

All newcomers to Torrance area or those who don't as yet have their credit established, can have their dental work done immediately under our new credit plan.

Pensioners may come in and receive a written estimate of what their dental work will cost. When this estimate is approved,

their work is started immediately and they make their first payment when they receive their additional funds from the State.

If you have any questions concerning dental problems, you want answered in this column, write to:

## City Acts To Correct Bad Drainage

Drainage problems in the Victoria Terrace area have been given a priority listing as a result of a picture appearing in the Torrance Press last week.

Homeowners in the 22900 block of Evalyn street complained that the city had promised to correct drainage conditions, remove a temporary fence, and reinforce the

permanent fence by spring of this year.

So far, there had been no action. Homeowners were worried as to what would happen in case of another rainy season.

The city manager's office indicated this week that a plan for action was initiated after a visit to the area by the city manager, engineer, and street superintendent.

One of the pumps will be drained first; then it will be left to dry and then scraped so the water can drain properly; the pipe will be reinforced with concrete (broken concrete, like a sea-wall) to prevent the water from backing up and undercutting the embankment; and a retaining wall will be placed under the fence.

The city manager's office indicated that work has started on the pump.

A slumber party was given last Friday night after the Ventura game at the home of Rosemary Hill. As usually happens at slumber parties, no one got much sleep, especially a few people who didn't get in until much before four. Those attending were: Becky Candler, Sharon Blakesley, Bonnie Fletcher, Gay Maupin, Toni Grose, Barbara Balow, Berta Rogan, Judy Elston, Claudia Smith, Marie Turner, Judy

Nance, Pat Wills, Cynthia Beadle, and Rosemary Hill. Everyone had a lot of fun and Bonnie had everyone singing happy birthday to her.

Tomorrow night the Tartar football team will play its first league game against Samohi. It ought to be a terrific game so get your ticket today and come on out to the game and help beat Santa Monica.

The dances after the football games are really as much fun as the games. There will be three more home games and there will probably be dances after each of them so be sure to come and join the fun.

The Class of '57 now has its

Senior Play under way—Although I don't know the cast as yet I hear the name of the play is "June Mad."

An after-game party was given for the "B" team at Claudia Smith's house last Thursday night. The "B" team celebrated its victory of 48-0 over Canoga Park. Most of the B team was there, some of the varsity and the rest junior and sophomore girls. A few freshmen and seniors, too. Everyone had a wonderful time dancing, eating donuts, and drinking apple cider. Coach Dana also came to the party.

Say, Tartars, how about joining in a Clean Campus Campaign. I don't know whether you've noticed or not but quite a few people have mentioned the fact to me. The best way to keep the campus clean is for everybody to put their own papers in the nearest trash can.
